**To Withdraw Holding Of Abandonment**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicant respectfully requests withdrawal of the holding of abandonment in patent application Serial No. 10/796,845. No fees by the Applicant should be required or otherwise incurred in view of the following evidence and facts which support this request. However, to the extent that other fees are necessary for entry of this Petition, authorization is given to charge Deposit Account No. 50-3581 (GUID.023C1).

This Petition is being timely presented as the Petition is being filed within two months of becoming aware that the case had been characterized as abandoned.

A Notice of Abandonment dated March 17, 2008 (see Exhibit A) was received by Applicant's representative. The Notice of Abandonment alleges that a Reply to the Official Communication dated January 30, 2007 was not timely submitted to the U.S. Patent and Trademark Office. It is noted that the Notice of Abandonment has an erroneous date as the Official Communication was issued January 3, 2007 not January 30, 2007. The attorney of

record has reviewed the aforementioned Notice of Abandonment, and respectfully contends that the Notice was issued in error.

Applicant received an Official Communication dated January 3, 2007 (see Exhibit B) which stated the previously submitted Terminal Disclaimer was invalid due to a sentence being missing. The Official Communication gave a one month time period for response.

A Response to the Official Communication was timely filed with the U.S. Patent and Trademark Office by U.S. Mail on January 8, 2007, with an executed certificate of mailing under 37 CFR § 1.8. A true and accurate copy of the original documents as mailed on January 8, 2007 is enclosed as Exhibit C.

In compliance with 37 C.F.R. § 1.8(b), Applicant is submitting a statement from the person who signed the certificate of mailing under 37 CFR 1.8, Tracey M. Dotter, attesting the Response to the Official Communication was filed on January 8, 2007.

In view of the above, Applicant respectfully request that the holding of abandonment in Patent Application Serial Number 10/796,845 be withdrawn, and that the enclosed Response be considered as timely filed on January 8, 2007.

If the Patent Office believes it necessary or helpful, the Patent Office is invited to contact the undersigned attorney at the number below to discuss any issues related to this case.

Respectfully submitted,
